Events **Men's and Women's Singles by age group**
Players may only enter their assigned age category, which will be determined by date of birth based on ITTF age criteria.

Men's and Women's Doubles by age group
Players may only enter into one doubles event, however are not required to enter their age category. Instead, players may play in a different age group based on the age group of their partner, however the age category will be determined based on the youngest player in the pairing. For example, a 67 year old may play in the 50-59 if their partner is in the 50-59 age group.

Players are encouraged, but not required, to play doubles. If a player does not have a doubles partner, the organizers will assign a doubles partner in that age category prior to the event. The organizers will make every effort to assign partners from the same country.

There is no additional entry fee required to participate in the doubles event.
